**Raw material**

It contains hazels. It may contain almonds, walnuts, pistachios

**Ageing**

-

**Serving temperature**

Room temperature or with ice

The vegan cream is the ideal combination of an alcoholic base and a vegetable drink that promises silky creaminess, but in a gluten-free and lactose-free preparation without any animal ingredients. The alcohol content chosen (17%) enhances the aromas of the vegetable drink that marry the other flavours and smells present.

Hazel is a certified vegan and organic product prepared with high quality raw materials in compliance with Vegan ethical sensitivity.

Hazel is an organic product 100% vegetable, perfectly compatible with food choices and compliant with the rules of vegan diet.

Sweet and velvety, the right combination of soft and aromatic.

Smooth or with ice, is perfect as end-of-meal and ideal for preparing cocktails and desserts.
