Raw material

Ingredients

White wine, alcohol, extracts from herbs and spices,
essential oils.

Contains **sulphites**

Ageing

–

Serving temperature

Room temperature or with ice

1898 Vermut Blanc is a sweet flavoured wine. White
Friulano is the wine employed and represents a soft
base for the addition of Absinthe and the plant extracts
used.
The essential oils of sweet and bitter orange produce a
pleasant citrus scent, Oregano agreeably contributes to
the refined spicy note.
Elegant vermouth with a balanced and delicate
aromatic charge.
Amber colour.

Amber colour and multiple
sensory nuances characterise
1898 Vermut Blanc, the flavoured
wine with a rich and defined
taste, born from a base of white
Friulano with the addition of
aromatic herbs and spices.
Perfect as an aperitif, taste it
straight, with ice or mixed
in your favourite cocktail.
