### Raw material

#### Ingredients

White and red wine, alcohol, extracts from herbs and spices, essential oils.

Contains **sulphites**

#### Ageing

–

### Serving temperature

Room temperature or with ice

1898 Vermut Rosé is a sweet flavoured wine. White Friulano and red Refosco are the wines used and represent a moderately tannic base that elegantly blends with the aromaticity of Absinthe. The essential oils of sweet and bitter orange give a pleasant citrus scent that goes well with the delicate spicy bouquet to which Oregano also contributes. Refined and delicate vermouth. Brilliant red colour with vermilion reflection.

*1898 Vermut Rosé* is a refined flavoured wine, with a brilliant red colour with vermilion reflections. Characterised by citrus notes and an unexpected spicy finish, it is ideal to be tasted straight or with ice accompanied by orange or pink grapefruit zest, up to your taste.
