Raw material

Ingredients

Alcohol, sugar and bergamot essential oil extract from peels. Enriched with Safflower (*Carthamus tinctorius*) flower extracts

Ageing

-

Serving temperature

18°C or with ice

Liqueur characterized by the aroma of Bergamot essential oils extracted from its peels. A pure alcohol base and cane sugar. The wise dosage of these components contributes to the exaltation of the aroma and the balance of sweetness. The coloration is enriched with Safflower flower extract.

Bergamot is a liqueur with an intense and fruity taste.

Its fresh and pleasant aroma makes it very suitable as after meal.

Strong and sophisticated, it is produced with extracts of 100% Italian bergamot peels.

The bartender recommends: drink it pure or mixed in equal parts with our *Duca Orso* Prosecco.
