–

Serving temperature

Room temperature or with ice

Sweet and appealing, obtained from selected raw materials that give it a unique and delicate aroma. The particular scent of orange derives from refined aromatic essential oils, the spicy notes from fine plant extracts.

With a moderate alcohol content, is characterized by an intense finesse.

To be tasted cold, is ideal for the mixing of cocktails or in combination with Champagne and / or Prosecco.

Brilliant orange colour and unmistakable scent that characterizes the elegant aromatic notes of this orange liqueur with a unique taste. Ideal to be tasted after meals, maybe together with dark chocolate to create the right blend of aromas and flavours. Perfect for flavouring desserts and ice creams.
