D_OMEN is a natural and fresh low-alcohol drink with apple and citrus flavour. With its citrus-fruity organoleptic properties is obtained by mixing a pure alcohol-base with essential oils and vegetable dyes, among which apple prevails. The citrus aroma, conferred by the orange peels, is enhanced by a pleasant cinchona, gentian and rhubarb bitter base. Straight at room temperature, smooth up on the rocks, mixed with sparkling wine or orange juice or as a base of endless combinations of cocktails and aperitifs. *Dot gin* is produced with an intense juniper alcohol and *botanicals* carefully selected, which perfectly blend with pure alcohol. Among these, the citrus stand out the most in the form of essential oils, including bergamot, tangerine and lemon. On the other hand, the pleasant spiced notes are provided by angelica and by coriander fruits. The result is a crystal-clear gin, product of a unique recipe among its kind for style and aromatic notes on the palate. The balance of the many components and its overall delicacy makes it particularly suitable for mixing.
