Raw material**Ingredients**

Water, dark cane sugar, plants and aromatic herbals infusion, glycerin, caramelized sugar, natural aromas. Acidity regulator: citric acid. Preservatives: sodium benzoate and potassium sorbate.

Consume preferably within 3 years from production date. Once opened, store in the refrigerator and drink preferably within 30 days.

Serving temperature

Cold or with ice

A revisited way to get a complete, intense and balanced "bitter" without the presence of alcohol. For this drink, essences characterized by bitter notes have been chosen such as rhubarb and cinchona, the aromatic part is completed by cinnamon, wormwood and mint. Intense to the nose, it strikes for its softness and its pleasantly bitter and spicy rich profile.

Domaz is born from expertly blended botanicals. Bitter and non-alcoholic elisir based on extracts of bitter herbs and roots infusions, which create a balanced combination of aromatic notes, is a completely alcohol free drink.
