Raw material

It contains hazels. It may contains almonds, walnuts, pistachios

Ageing

-

Serving temperature

Room temperature or with ice

The vegan cream is the ideal combination of an alcoholic base and a vegetable drink that promises silky creaminess, but in a gluten-free and lactose-free preparation without any animal ingredients. The alcohol content chosen (17%) enhances the aromas of the vegetable drink that marries the other flavours and smells present.

Cocoa is a certified vegan and organic product prepared with high quality raw materials in compliance with Vegan ethical sensitivity.

Velvety, creamy and delicate. Cocoa is the new organic and 100% vegan liqueur by DOMENIS1898.

Prepared with high quality raw materials, it is lactose-free, gluten-free and without any animal ingredients.

Perfect to make special the end-of-meal, smooth or with ice, it is the perfect ingredient for your favourite cocktails.

Sizes and packaging

50cl
